Subject: St Louis Park - EPA Response Letter to Hinshaw
Attachments: SLP EPA Response Letter to Hinshaw 82218.pdf

Sandeep and company,

Attached is a response letter to the Site Inspection Technical Review we received from Hinshaw and Culbertson LLP. As the response indicates, EPA intends to meet with them and their client. We would like your participation as well. I am in the process of obtaining available EPA dates for September and November and passing them along to you all to review. I'm hoping to get that out today.

Let me know if you have questions. Thank you.
